"END OF THE ROAD KARNER"

Thomas S. Weaver High School

Oprah's On!

Phenomenally, Phenomenal, Phenomenal

On November 6, 1992, talk show host, Oprah Winfrey visited Weaver and encouraged students to stay in school and aim for success.

Mass confusion exists as Oprah leaves Weaver.

Dr. Davis says, "Young people, this is an extension of the classroom. Step aside."

Oprah dedicates "I am a Woman" by Mia Angelou to the women of Weaver.

No superstar has it all until they receive Weaver's complementary gifts.

Lizette Cruz says hello to Oprah.

Weaver students "Sweatin" Oprah.

The sign says it all!

Mr. Davis hands Oprah red roses to top off the gift giving ceremony.

"mmm It's So Good!" Paulette Woods and Kari Artis, homecoming court members, relax.

Seniors

Our senior year begins with the words, "Seniors, let us hear you" and we did! At the Pop Rally and throughout the school we made our presence known. We raised our checkered flag and the last strains of our school song to signal the END OF THE ROAD.

Basketball is one of the most popular sports here at Weaver. The guys spend hours practicing and it pays off.

In a relay race a good hand-off can make a difference. Working hard on their hand-off are Seniors Dornette Willis and Colletter Maximin.

The Weaver Swimming team is yet another one of Weaver's championship sports. Pictured here is Ryan Nash who made it to the States.

Here is another one of our Mighty Beavers who dominates the sport of basketball.

Working hard at practice is George Clarke and Christ Hewitt.

Seniors Shelly-Anne Forrest and Lora-Lynn Byfield are training very hard so that the Weaver Girls Track Team will remain State Champions for five years straight.

Pictured here is yet another senior, Maxine Clarke, who is ranked first in the nation in the 1000 meters run. Maxine will be remembered as one of the best athletes to have run at Weaver.

Train Hard

Athletes Out To Win It All

Here at Weaver High School winning is very thing. Our athletes work their hardest during training while baring in mind that hard work pays off. This must be true because the Beavers have won championships in Track, Basketball, Swimming and Wrestling.

Junior, Aubrey Brathwaite, hits the ball with full force as he out played his competition.

Freshman, Wayne Mandes, is one of the leading males who demonstrated leadership, by taking part in tennis, which is not one of Weaver's most favored sports.

"Go, Tris!" She hits the ball so hard, that her face shows it.

Junior, Trina Scott swats this serve before it gets away.

Pictured here are Mens Tennis players, Aubrey Brathwaite, Wayne Mandes and coach Houston

Jump Up!

The Cheerleading Team

The Cheerleaders reflect what our school is all about. They are always smiling and eager to entertain the crowd. The Cheerleaders from the other school look with envy. Keep up the good work ladies.

Pictured here are the sophomores. Hope Mitchell, India Rogers, Latonia Kendirck and Philipa Stewart.

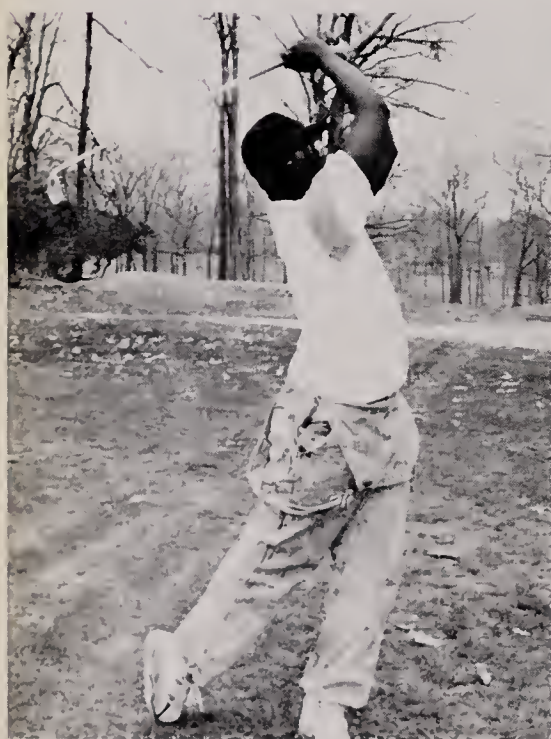

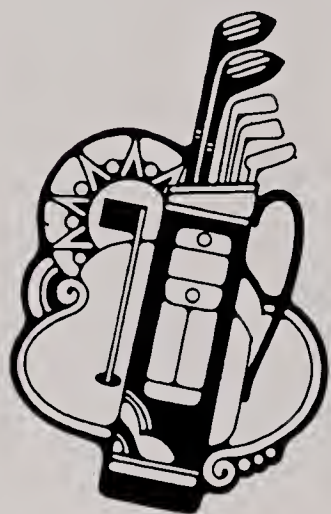

It takes a lot of strength and concentration to display such a beautiful pyramid, and Weaver Cheerleaders have a lot of everything.

TO: J.K.

It was a pleasure having you as a teacher.
You and your crazy ways made photography a
class with a lot of fun. I wish you all
the best in the future

First year advising in "73".

Mr. John Karrer

To Mr. Karrer the year book staff would like to thank you for all your time and dedication over the years in assisting with the yearbook. Your help is greatly appreciated not only by the Class of "93" but by previous graduating classes of Weaver High School. You are not only a teacher but a friend to all. Future classes don't know what they'll be missing and that why we dedicate this 1993 yearbook to you John P. Karrer. Thanks!

Love your wife
Whimette

Dedication

The Class of 1993 Year Book is dedicated to
Mr. John Karrer and the Class of "93" Parents!

The yearbook staff is dedicating this yearbook to the Class of "93" Parents for many reasons. One of many reason is for the dedication and time you spent leading us in the right direction: it's been a long, hard, but fun four years and we know that we would not have made it without you. You helped whenever you could, dedicated time after school and have always been there when we needed you. For that, we appreciate you!!

This yearbook is dedicated to the Class of "93" Parents for all the hard work and although we always may not have agreed with each other, we know it was out of love. Thanks for making our dreams come one step closer to reality!
Besides, if it weren't for you there wouldn't be a Class of "93"!

HOMEROOMS

Homeroom: That time of day for music and noise;
for girls and boys; for morning snacks, and making
"cracks", for fixing up and homework make up; for
a moment to grow; for "Good Morning, this is Dr. Davis

Homeroom: that moment which sets up for ... opps! Time
to take the sheets to the office.

Chuck D speaks on educational longevity in a young adults' life.

Rap entertainers and school staff can work together to express the importance of education. As Chuck D and Weaver's principle Dr. Davis have done.

CAREER DEVELOPMENT IN BUSINESS FOR TALENTED MINORITIES

MISSION: The mission of INROADS is to develop and place talented minority youth in business and industry and prepare them for corporate and community leadership. The National Organization was founded in Chicago in 1970 and now has its headquarters in St. Louis. Starting in June 1990, INROADS/Greater Hartford is one of 37 affiliate offices around the country dedicated to developing qualified business and engineering professionals.
